

Holly Park
Village Trustee

Holly Park was elected as Village of Hamburg Trustee in March of 2022. Mrs. Park has served as a Secretary for a Supreme Court Judge since 2018. Prior to that she worked as a Litigation Paralegal after receiving her BS degree in Legal Studies at Hilbert College. She is also a graduate of Hamburg High School.

Holly's passion is community work. As an active volunteer, she has taken on leadership roles for advocacy initiatives in Hamburg and throughout Erie County. She has collaborated with LGBTQ leaders and organizations to promote programming and support for youth and their caregivers. During the pandemic, she worked to start a group for transgender parents and youth that meet monthly at the Pride Center. Her interest in working with youth was cultivated while coaching and serving as a board member with Hamburg Little Loop Football and Cheerleading for 8 years. Additionally, she is an organizational member of Hamburg Pride and has contributed to the success of the annual Pride in the Park event in the Village of Hamburg.

She is currently the liaison for the Environmental Commission, has aided in efforts which helped the Village in becoming a Clean Energy Community. She is currently the Coordinator for the Climate Smart Community efforts, and is excited to work with other community members on taking further steps. She will be seeking ways to inform and assist the community in actively participating in these efforts, while working with the task force, Village Administrator and DPW to set goals to have the opportunity to apply for funding currently available in our State. In return we are hoping the emissions and costs will be reduced.

Holly is the proud recipient of the Hamburg Little Loop Coach of the Year Award and the Patrick Hoak Irishwoman of the year in 2021 and 2022.

Holly lives in Hamburg with her Husband, Andy and has 4 children, Sarah, Elliot, Jake and Nora and has a yellow lab, Dublin O'Shea Park.
