

RENT THE STAR

An unusual way to raise money for maintenance of the Hamburg's holiday star on top of the water tower on Long Ave is being offered by Hamburg Holidays. You can "RENT THE STAR".

Over the past 40 plus years the Star has become an icon for the holiday season. It has become a tradition for the community. Parents of the "60's" now attend the December lighting ceremony with their adult children, grandchildren even great-grandchildren. The spectators do a "count down" and right on cue the Star comes to life marking the start of Hamburg Holidays season. Every one knows it is the Christmas Magic in the air that makes the star light. Unfortunately it takes money to make the magic happen and each year some repair work needs to be done.

Any one can "RENT THE STAR " for a birthday, anniversary, special occasion, or just for the fun of it. The cost is \$20 for date of your choice.

This fund raiser for is only by way of mouth. It is very low key as to not degrade or remove the magic from the Star. Arrangements for a private lighting can be made at Lind Hart Mini Ship, 5949 Camp Road, Hamburg, 648-0542 weekdays from 9 a.m. to 5 p.m. and Saturdays from 9: 30 am. to noon, ask for the owner Dave Nyhart.
