Officials Present: Paul Gaughan

Recreation Supervisor, Josh Haeick started the meeting giving the group an update on the cancelled 2020 house season of the Hamburg Junior Baseball and Softball League. The Hamburg Dawgs and Lady Dawgs are not cancelled yet and have restrictions. Next he discussed the light pole installation at Legion field, which is slated for the week after the Village's big trash week. He hopes to go to bid with the rest of the project next month however COVID-19 has slowed down that process.

Josh then went on to discuss the proposed plans that he will present to the Village of Hamburg Board of Directors regarding the possible opening of the Swim Center and Kidsplay Summer Camp. The commission has numerous questions about new protocols, capacity limits, sanitizing plans and more.

It was also discussed that as of tomorrow, 6/12/2020, all Village playgrounds would be open, however social distancing guidance's should still be followed.

Respectfully Submitted,

Jacie Gavin
Recreation Leader
