

Weekly Trash Pick Up – General Policy

All regular trash and non-recyclables must be in **CLEAR PLASTIC BAGS** (never black bags) and **must be placed in the green lid garbage tote** with **LID CLOSED TIGHT**, handle facing street. No bags will be picked up if the contents are not clearly visible. 150 lb. maximum weight limit per tote: **all trash, recyclables and yard waste must be out by 7:00 a.m. on your collection day.** Collection delayed 1 day after Thanksgiving, Christmas, New Year's Day, Memorial Day, 4th of July, Labor Day. **Recyclable items must be placed in the recycling tote with the yellow lid closed tight.** These items include: plastic containers, "clamshell" style containers, pizza boxes, metal cookware, paper, milk & juice jugs, glass.

YARD WASTE – Picked up weekly **late spring through late fall**, depending on the weather. Small sticks, weeds, trimmed hedges. During spring & summer put in open container (60 lbs. max). **GRASS CLIPPINGS WILL NOT BE COLLECTED.** Compost or mow grass into lawn. Starting in mid-October, yard waste can be put on the ground with leaves.

BRUSH & TREES PARTS – Collection starts on the last Monday of each month (does not have to be a full week). Brush up to 4" in diameter and 6' in length with **NO ROOTS**, neatly piled w/ large end to the road (perpendicular to street).

LEAF COLLECTION – Pickup starts in mid-October (sometimes the DPW determines a spring pick up is necessary). Rake leaves to curb or edge of grass. **DO NOT RAKE INTO THE STREET** and **DO NOT BAG OR STACK THEM WITH THE BRUSH.** Leaf pickup ends around the first of December depending on the weather.

LARGE TRASH COLLECTION – Picked up the 3rd full week of March, June & September on YOUR REGULAR GARBAGE DAY. **No Appliances. Mattresses must be bagged/wrapped in plastic.** Large furniture and residential-generated construction and demolition debris (600 lb. max). **NOTE: Any and all debris from work done by a contractor, including construction and/or tree service contractor must be removed by the contractor. THIS IS THE ONLY TIME ANY OF THE ABOVE ITEMS MAY BE PUT OUT. DURING LARGE TRASH WEEK ALL ITEMS MUST BE AT THE CURB BY 7:00 AM ON YOUR REGULAR GARBAGE DAY.**

ELECTRONIC/TIRE/PROPANE TANK/MICROWAVE & CAR & HOUSEHOLD BATTERY DROP OFF - Monday after Large Trash Week at 375 Pleasant Avenue; **No appliances:** All televisions, computer components or other electronic equipment, tires, propane tanks, microwaves and car & household batteries can be **DROPPED OFF AT THE DPW GARAGE, 375 PLEASANT AVENUE ONLY on Electronics Drop Off Day the Monday following Large Trash Week.** There is a fee for tires and propane tanks. No charge for batteries, microwaves or electronics. See Village website www.villagehamburg.com, click *Departments* and *Public Works* for more details. **For Village property owners only.**

MEDICAL WASTE – Syringes and lancets **ONLY** may be brought to Public Works or Village Hall **IN A SHARPS CONTAINER** (cannot accept non-medical containers). Containers available at Public Works for a small fee.

REGULATED MEDICAL WASTE – Residents that may be under a physicians care for medical issues that may include nuclear and/or chemotherapy regiments may unknowingly generate regulated medical waste that needs to be disposed outside of our waste disposal guidelines. **PLEASE CONTACT YOUR HEALTHCARE PROVIDER FOR QUESTIONS ABOUT SPECIFIC ITEMS AND THE PROPER DISPOSAL METHOD FOR EACH.**

MOTOR OIL – Use container provided by Village per request. Place container on ground next to tote.

PAINT - PESTICIDES - CHEMICALS – Sherwin-Williams accepts old latex and oil paint-call store for details or go to paintcare.org for other drop off locations. The Village will collect **latex paint only if it is dried up.** Or you may add kitty litter or sawdust to can to dry up – then leave cans w/ **lid off next to** garbage tote. Oil paint, anti-freeze, pesticides, pool chemicals, flammable materials/liquids **WILL NOT BE COLLECTED.** Call E.C. Hazardous Waste Hotline 858-6800 for disposal information.
