

Village of Hamburg Recreation Commission Minutes
October 1, 2020 | 7:00pm | The Hamburg Memorial Youth Center

Members Present: Paul Peck, Marty Blind, Carly Liebenow, Amber Klausen, Anna Masucci

Staff Present: Jacie Gavin, Recreation Leader

Members Excused: Tricia Miller, Garry Nelson

Staff Excused: Josh Haieck, Recreation Supervisor

Recreation Leader, Jacie Gavin, began the meeting by giving a brief update about NFL Flag Football. The season is underway and going well thus far. There is a spectator limit and all spectators must be wearing (and have visible) their league issued ID badge. Also this season the Recreation Dept. is using certified football referees for game and is hoping to continue this in years to come.

Jacie also gave the commission an update on the lights at Legion Field. The lights have been installed and will be ready to use in the near future.

Hamburg Little Cagers typically is taking registration at this point in the year. Unfortunately basketball is still considered a “high-risk” sport according to the NYS sport and recreation guidelines. With that said the league cannot accept registrations yet for the 2020-2021 season. If the guidance does change they would need to come to an agreement with the school district and other partners about facility use for practices/game before registration could begin.

Lastly, Jacie reported that the 2020 Halloween Parade is officially cancelled due to COVID-19 restrictions, however the department plans to put together a virtual parade. More information about the parade will be released on social media later this week or early next week.

Respectfully Submitted,

Jacie Gavin
Recreation Leader

Next Meeting: Thursday, November 5, 2020 – 7:00pm @ the Youth Center
